

## **EXPRESSION OF INTEREST**

GMADA intends to install portable STPs of different capacities varying from 50 KLD to 300 KLD in various Urban Development Schemes during their initial phases of development, in and around Mohali. The parameters of treated effluent of these Portable Plants should be as per the latest manual on Sewerage & Sewage Treatment System of Central Public Health & Environmental Engineer Organization (CPHEEO) under the Ministry of Housing & Urban Affairs, Govt. of India, New Delhi, suitable for reusing for Flushing, Landscaping, Horticulture & Agriculture Purposes. Interested reputed manufacturing firms/agencies dealing with such Portable STPs are requested to submit their Technical as well as Financial bids

upto 5:00 PM on 18-07-2018 in the office of the undersigned, Room No. 535, PUDA Bhawan, Sector 62, SAS Nagar. The offers can also be submitted through e-mail on [deph1@gmada.gov.in](mailto:deph1@gmada.gov.in) or can also be sent through registered post to the aforementioned address. Only those bids which shall be received upto stipulated time and date shall be considered for further processing. The firms/manufactures are requested to quote their rates for the capacities of 50 KLD, 100 KLD, 150 KLD, 200 KLD, 250 KLD, 300 KLD along with separate cost of requisite civil structures. The rates should be for Mohali.
